

CRISTAL

«CRISTAL: little tactile table lamp with very good value for money. Ideal of reception halls and professions.»

LIGHTING

Economic et efficient

CRISTAL is supplied with 2 LED bulbs of 9W socket E14. Very low energy consumption compared with halogen consumables.

Lifetime of the sources : about 10 000 h.

Economic and quality lighting !

TECHNOLOGY

Tactile lighting on 3 intensities

That table lamp switches on and off with a simple finger touch on a metal part of the product (Touch system) : no more waste of time looking for the switch. Playful and technological function.

PRODUCT BENEFITS

UNILUX quality

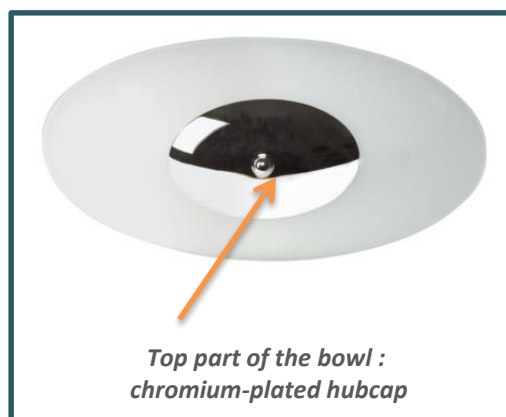

The oblong bowl of CRISTAL is designed in frosted glass filtering the light : soft and perfectly diffused lighting. Stable base and tapering bottom part of the foot, giving the lamp a modern and slender look.

Oblong bowl in frosted glass
