

Double coat peg to screw

Design and robust

2016 NEW COLOURS

FUNCTIONAL

High load capacity

STEELY coat peg is very robust. Made of steel (4mm thickness) enabling them to support up to 50kg.

DESIGN

Protective double coat peg

Thanks to its double grip, STEELY can support two clothing at the same time. It is endowed with non skid and protective pads to avoid the clothes from slipping and be misshapened.

Aesthetic shape made in France. Available in black or steel grey.

ADVANTAGE

STEELY coat peg is provided with its fixing kit with screws and wall-plugs for every surface. Support up to 50 kg.

STEELY can support up to 50kg
Made in France
