LUMILIGHT desk lamp

# LUMILIGHT desk lamp

---

LUMILIGHT lamp is a new generation of ergonomic luminaires with an innovative design. It offers a wide range of motion thanks to its double articulation and provides quality lighting thanks to its slender head.

# LUMILIGHT desk lamp

- **Innovation:** a new generation of ergonomic desk lamp that offers a wide range of movement for quality lighting thanks to its large, long head with an innovative and efficient design.
- **Flexible thanks to its folding arms:** all joints of the folding lamp can be folded to different angles.
- **Variable light intensity and colour temperature:** two touch-switches on the arm allow the light intensity to be varied continuously, and another allows the colour temperature to be adjusted continuously. Adapt your lighting to your activity (resting, reading, working).
- **A pure and modern design:** LUMILIGHT is distinguished by a design with fine and pure lines. Its head is only 1.7 cm thick, which gives it an elegant character.
- **Finish:** with its thick base made of high quality steel and its arms made entirely of brushed aluminium, this lamp offers beautiful finishes and excellent stability.

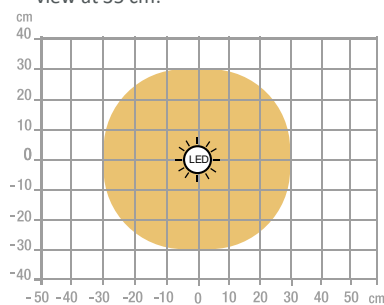

Warranty: 2 years  
 Maximum height: 75 cm / minimum height: 30 cm  
 Materials: recyclable aluminium/metal

Professional replaceable light source (LED only)

## Characteristics

Measurement in Lux on the worktop view at 35 cm:

> 500 Lux

< 500 Lux

Measurement in Lux on the worktop in profile view at 35 cm:

Measurement in nanometers of the light spectrum

- 0 No-risk
- 1 Low-risk
- 2 Moderate-risk
- 3 High-risk

SAP no.	400177869
EAN code	3595560038695
Color	Black
Luminous flow	1120
Lux at 35cm	2300
Lm/W	140
Color T° ( K)	3000 / 4000 / 5000 / 6000
CRI	>80
Source lifetime (h)	25 000
Energy consumption (kWh/1000 h)	8
USB Port	No
Inductive charger	No
Net weight (kg)	1.73

# OUR CSR COMMITMENTS

1. All our lighting are **100% repairable** thus limiting planned obsolescence.
2. Reduce our carbon footprint through our **ECO-DESIGN THINKING** approach.
3. Contribute to the preservation of the planet's natural resources by promoting the use of **recycled materials**.
4. Optimize our packaging to control our **transport costs**.
5. Highlight the **talent of our employees** by ensuring social equality.

## Energy class

# OUR EXPERTISE

## 1-Why use accent lighting?

We are regularly subjected to constant artificial lighting in the office that does not take into account our biological rhythm. Poor lighting quality can cause headaches, sleep disorders, loss of concentration. According to a recent study, only 34% of offices reach the lighting level of 500 lux recommended by Occupational Medicine.

## 2-Biodynamic light: source of well-being!

An adapted biodynamic light that accompanies you on a daily basis is essential to be effective in your work, your projects in order to prevent any harmful consequences produced by poor lighting. Your productivity will be greatly improved, you will be more dynamic and in a better mood. This is the reason why each individual must carefully follow his "circadian rhythm". The circadian rhythm is a biological rhythm that governs a set of physiological processes in humans. It is regulated by light for 24 hours.

# OUR CERTIFICATIONS

Unilux is committed to an eco-responsible approach and ensures that its products respect this commitment. Indeed, we are very concerned about current environmental issues and we aspire to respond as best as possible to the concerns of our consumers on this subject. Sustainable development is at the heart of our strategy and we act for the environment. You will find below the different certifications that Unilux has and that prove its environmental commitment.

## 30 products available on pCon Planner

You will be able to obtain data on many UNILUX or OFML standard products and integrate them quickly and easily into 3D space layouts via pCon.

## Download on our E-shop

Always available: photos in HD, data sheets, instruction manual, repairability instructions for all our products.

## Do you have any questions?
